1. What is the product about?

FRIA-i is a Syariah compliant term deposit account for non-individual and individual Customer aged 18 years and above where the profit rate is made known to the Customer upon application or renewal of account.

2. What Shariah concept is applicable?

A *tawarruq* consists of two sale and purchase contracts. The first involves the sale of an asset by a seller to a purchaser on a deferred basis. Subsequently, the purchaser of the first sale will sell the same asset to a third party on a cash and spot basis.

Under this arrangement, the Customer appoints the Bank to act as the Customer’s agent (*wakalah*) to purchase the commodity from Commodity Trader (Broker A) in cash and subsequently the Customer will sell the commodity to the Bank under *Murabahah* contract (cost price plus profit) on deferred payment. The Bank will then sell the commodity to Commodity Trader (Broker B) in cash basis.

Upon placement made which is equivalent to the deposit amount to the Bank, the Bank undertakes (wa’d) to purchase the commodity from the Customer after the Bank (as Customer’s agent) purchase the commodity from Commodity Trader. To show the seriousness of the undertaking given, deposit securities (*hamish jiddiyyah*) will be paid (if necessary) and after the purchase of commodity is completed, the security deposit will be counted as part of the Purchase Price to be paid by the Bank.
