[Please read and understand the Program Disclosure Sheet together with the terms and conditions governing this program before you decide to apply or accept the offer of Program Dana Pembiayaan Agromakanan Keluarga Malaysia.]

Kindly seek clarification from Agrobank ('Bank') if you do not understand any part of this document or any terms and conditions of this Program.

1. What is the Program about?

Program Dana Pembiayaan Agromakanan Keluarga Malaysia (DPAKM) is a 'Program Financing' that offers financing facility to SME entrepreneurs and producers of chickens, ruminants (cattle and goats), vegetable crops and others within scope approved and advised by Ministry of Agriculture and Food Industries (MAFI) from time to time with a total financing amount of up to RM5.0 million. This program is to support the intended agenda of strengthening the food production of the country to ensure the sustainability of food supply in the future.

2. What Shariah concept is applicable?

The Shariah contract applicable is *Tawarruq* transaction which consists of two sale and purchase contracts. The first involves the sale of an asset by a seller to a purchaser on a deferred basis.

Subsequently, the purchaser of the first sale will sell the same asset to a third party on a cash and spot basis. Via this financing, the Bank will buy the commodity [crude palm oil (CPO), plastic resin or any other commodity as advised by the Commodity Supplier] from the Commodity Supplier with the cost price (based on the financing amount). Subsequently the Bank sells the commodity to the Customer at cost plus profit (*Murabahah*) on a deferred payment.

Next, the Customer appoints the Bank as an agent (*Wakalah*) to sell the commodity to a third party at cost price, on a cash basis. Proceeds of sale will be credited to Customer's account as financing amount required by the Customer. The commodity applicable for *Tawarruq* transaction is subject to the Commodity Broker.
