2. Activation New Security Token

GET TO KNOW:

CORPORATE ADMINISTRATOR (CA)

Corporate Administrator (CA) is an Authorised User(s) empowered by the company and accepted by the Bank to act as the sole authority for the purpose of creating administrative functions.

User
CORPORATE USER

Corporate User is an authorised user created by the **Corporate Administrator (CA)** to act as the authority in managing all the banking facilities offered.

AGROSecure

AGROSecure is a mobile token which has security features for authenticating login and transactions performed on **AGRONetBIZ**.

CORPORATE USER CONSISTS OF (2) TWO TYPES OF MODULES.

SINGLE USER

Single User:
Sole authority in handling the financial facility.
Viewer:
Authority to view account details only.

MULTIPLE USER

Multiple User: Consist of two users in handling the financial facility which are Initiator & Approver.
Initiator: Authority to initiate or make the payment to be transferred to approver.
Approver: Authority to approve the transaction.
Viewer: Authority to view account details only.

Please ensure the modules applied to create the Corporate User.
